

Guided by our Oriental heritage but influenced by local culture, The Spa at Elbow Beach has created distinctive concepts that incorporate a unique sense of place. We are now bringing our luxury services aboard the Venetian, a world class 100 foot Yacht.

Guided by our talented staff, we will be delighted to lead individuals in a customized journey while cruising through the blue waters of Bermuda. We are proud to offer our distinctive services including facials, a variety of massages and nail services for guests of the Venetian.

All our services will be personalized to each individual in an environment that will delight the senses. Appointments can be made by calling Karen Jones at (441) 704 3000. We recommend and encourage advance reservations to ensure that our guests' preferred times and services are met. Please allow 24 hours notice of cancellation to avoid a 100% charge.

Exclusive to the Venetian, we are offering our services for social events, such as bridal showers, bachelorette parties and business travel. We will provide multiple therapists to do a variety of treatments within a set period of time in a social atmosphere. Enjoy a rejuvenating Thai Massage on the deck while your guests experience other lavish treatments; all while breathing in the fresh Bermuda air and listening to the calming waters of the sea.
